Our first Good News Club is beginning today in Butler. Pray for the health of the children and workers, the favor of parents and school district, and the Holy Spirit to work in the children's lives. We have a great opportunity to provide hope to children worried about the world around them.

### OCTOBER 23

## SPECIAL REQUEST

We are beginning our first online Good News Club.

Having never done this before we covet your prayer for students to attend, for teachers to be comfortable with the technology, and the Gospel not to be impeded by the medium of presentation.
